Dr. Edelstein – I have notified Pat Seppi, our Community Involvement Coordinator, of your condition and she will arrange to have you speak at the beginning of the Q&A session. If I can be of further assistance, please let me know.

How are you Joe?

I would like to speak at the Monday evening hearing in Ringwood. I just had major spine surgery and I cannot stand for a long time and I may not be able to sit well on the chairs. Is there a way I can get onto the list on the earlier end?

I would appreciate any help.

Thanks
